STOPOVER, REFUEL, **TAKE A VACATION**

At our place, you are always welcome to feel at home. The 3-star Superior Hotel Restaurant Elbebrücke extends a warm welcome to you! Are you traveling alone or as a couple? Bringing the whole family? Need barrier-free access to the bathroom and toilet?

We have thought of everything to make your stay perfect.

E-BIKES **FOR YOUR STAY**

We are located in the heart of a biking region. The well-developed Elbe Cycle Route from the Czech Republic to the North Sea is right at our doorstep. The flat terrain and the largely untouched, idyllic floodplain landscape of the UNESCO Middle Elbe Biosphere Reserve practically call out to be explored by bike.

Of course, you can also rent bicycles and e-bikes from us – for half a day, a full day, or for the duration of your stay. We can also provide some children's bikes. If you bring your own bikes, you can store them in our cellar at no extra charge. We have tools available for minor repairs. And if you're using e-bikes: charging facilities for the batteries are also available.

EXPLORE THE **WORLD HERITAGE REGION**

Whether on a brief visit or a short vacation, discover what makes us so special.

Our hotel is located in the heart of the UNESCO Middle Elbe Biosphere Reserve and the World Heritage Region of Anhalt-Dessau-Wittenberg. With the World Heritage Card, you get free or discounted access to many attractions. For example, to the historic Garden Kingdom of Dessau-Wörlitz. Or to numerous sights and museums in the Bauhaus city of Dessau-Roßlau and the historic Lutherstadt Wittenberg. Also to the open-air museum Ferropolis, the „City of Iron“. And much more – a total of over 125 attractions with one card!

The World Heritage Card for the Anhalt-Dessau-Wittenberg region is available at our hotel!

EXPERIENCE HISTORY ANEW

Our house has a unique history: It was once the apprentice dormitory of the largest green-house complex in East Germany. We have lovingly renovated it and reopened it as a hotel with a personal touch and 100 comfortable rooms. On the ground floor, you will find our reception and our „living room,“ which is open to all guests.

CULINARY DELIGHTS IN OUR RESTAURANT

In our newly built restaurant, Elbebrücke, designed in „industrial chic,“ we serve breakfast and dinner. Everyone is warmly welcome here: hotel guests, locals, and those who spontaneously exit the highway or dismount their bicycles. We look forward to seeing you!

MEETINGS & CELEBRATIONS? ABSOLUTELY!

Celebrate Festively? Host Meetings? Invite your loved ones, colleagues, and business partners to join us. Our Elbebrücke restaurant is the ideal location for your large or small event.

From the selection of food and beverages to table and room decorations, we are more than happy to accommodate your desires and ideas. Whether it's a relaxed brunch or an elegant dinner, a cocktail party, or a small conference with a business lunch: we make everything possible. A top-notch sound system and a professional projector with screen are available for your use (additional equipment upon request). And we are happy to leverage our contacts with DJs, musicians, and more for your event. Call us or write to us. We are happy to put together more information for you.
